Guidelines to Honorary Fellow Appointments – Level C

Honorary Senior Fellow (Level C)

Occupational Equivalent: Senior Lecturer, Senior Research Fellow

Applicants require the following to be considered for an academic Honorary Fellow position (Level C)

1. Contributions to teaching & learning
2. Research (advancement of the discipline)
3. Knowledge transfer
4. Leadership & Service

A Level C academic will make a significant contribution to the discipline at the national level. In research, scholarship and/or teaching he or she will make independent and original contributions, which expand knowledge or practice in his or her discipline and have a significant impact on his or her field of expertise.

The research work of a Level C academic will be acknowledged at a national level as being influential in expanding the knowledge of his or her discipline. This standing will be demonstrated by a strong record of published work or other demonstrated scholarly activities. A Level C academic will normally provide leadership in research, including research training and supervision.

Types of voluntary activities/contributions – Level C
